

USHIP Dental Insurance Coverage:

The U C Irvine Student Health Dental Plan is designed to make preventive dental care easily accessible and affordable in a professional and caring environment. We offer General Dentistry, some Oral Surgery, Endodontics, Implant Surgery and Periodontics.

Benefits

- An Examination once every calendar year is offered at no charge.
- Check-up x-rays are a benefit once per calendar year at no charge.
- A Dental Cleaning once per calendar year at no charge.
- All necessary procedures will be performed at the Student Health Dental Clinic.
- Enrolled students receive an additional 25 % discount off our fees on all other necessary dental work.
- An emergency on call Dentist is available after hours and on week-ends.
- There are no deductibles or waiting periods.
- Monthly time payment plans with no interest or finance charges are available if necessary.
- Periodic discounted dental promotions (i.e. Teeth whitening specials, etc.) will be offered.
- A \$10.00 co-payment will be applied for each dental clinic visit.

Exclusions

- Off campus referrals are not covered by the plan.
- This plan does not cover dependent children.
- This plan does not have Orthodontic benefits.
- This plan does not cover prescription drugs.
- Cosmetic or elective procedures are not a covered benefit.

All registered Students who are enrolled in the USHIP plan are automatically eligible and enrolled in this plan.

Please call the appointment desk at (949) 824-5307 to arrange appointments.
